Meet Nilla

Nilla was brought in as a stray and will be available on 6/14 if not claimed. She’s a 7-month-old lab mix, currently about 25 pounds and still growing. She came to us underweight and a bit skittish, unsure of her new surroundings.

But beneath that initial uncertainty is a playful, friendly pup who just wants to feel safe and loved. Once she knows she can trust you—and it doesn’t take much, just a few kind words and some gentle pets—she’s all in. Nilla is still very much a baby at heart and is looking for someone to help her blossom into the confident, happy dog she’s meant to be.
