Meet Pebbles

Pebbles is a 12-week-old female Lab mix, surrendered by her previous owner. She currently weighs around 10 pounds and is still growing.

Pebbles is absolutely adorable—sweet, gentle, and full of love. She has a soft, affectionate nature and is already stealing hearts. And if you're lucky, she might even “talk” to you with her cute little puppy sounds. She's ready to grow up surrounded by love in a forever home.

Considering Pebbles for adoption?
