Meet Skye

Skye was brought to us as a stray. She is a sweet female Blue Heeler mix, about 3 months old and 15 pounds (and still growing). With her unique and beautiful coloring, Skye is truly one of a kind. She has a gentle soul and loves being close to people, always seeking comfort and companionship. Though still young, Skye is already showing how loving and loyal she can be, making her a wonderful future family member for someone ready to give her the care and attention she deserves.
